

MARYLAND MANUFACTURING INNOVATION

2022

LEARN • SHARE • CONNECT

Call for Content Application

MD MEP is seeking proposals from industry professionals with practical experience in developing, implementing, and overseeing leading-edge advanced manufacturing implementations, leadership and workforce best practices, and continuous improvement strategies in their organizations.

The deadline for content and speaking submissions is May 3, 2022.

While we welcome submissions from consultants and vendors, such proposals will be considered only if co-presenting with a manufacturer client. Co-presenters must be identified at time of submission in order to be considered. Sessions are approximately 60 minutes and should have time for questions.

As a speaker, you receive one (1) complimentary Full Conference Pass to MMI 2022, your name published on promotional material, website, and program, and recognition as a leader in your field to the manufacturing industry.

Application Submission

- Please submit your completed application to Samantha Calvo, scalvo@mdmep.org.
- Submissions will be evaluated and chosen based on the topic relevancy and related speaker experience.

Contact Information

Name Company

Address

Title Email

Phone Website

Are you a manufacturer? Yes No

If no, who is your co-presenter (must be a manufacturer)?

Session Information

Please select the Track related to your session.

Proposed Session Title

Session Description and Key Takeaways
